## Tomorrow's Warriors

(Battle Fever J, Battle Fever J)  
When you become an adult  
What kind of tomorrow will come?  
Compared to now, happy and beautiful  
That's the kind of world I want to make  
Battle Fever, Battle Fever  
For that day  
I fight today with the five (people)  
Ah you too pursue  
After me, tomorrow's warriors

When you become an adult  
There will probably still be evil  
Evil will pollute people's hearts,  
This wide sky, ocean, and green earth  
★ Battle Fever, Battle Fever  
That time, you  
Will remember the group of five  
That wouldn't lose in a fight  
As with me, tomorrow's warriors
